04 USAGE RULES

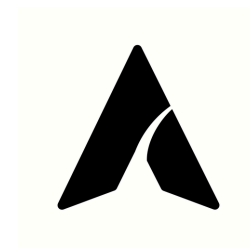

Clear Space & Minimum Size

Always maintain adequate clear space around the logo. The minimum clear space equals the height of the "A" icon in the logo. Never reproduce the logo below minimum size.

Clear Space

Maintain padding equal to the height of the logomark "A" on all sides. No other graphic elements should enter this zone.

Minimum Size

Horizontal lockup: 120px wide (digital) / 30mm (print). Icon only: 24px (digital) / 8mm (print).

05 INCORRECT USAGE

Logo Misuse

To maintain brand integrity, avoid the following modifications to the Ascendra Financial logo.

Don't stretch or distort

Always maintain the original aspect ratio. Never squash or stretch the logo.

Don't change colors

Only use the approved color combinations shown in these guidelines.

Don't add effects

No drop shadows, gradients, outlines, bevels, or other visual effects on the logo.

**Don't rotate the logo**

The logo should always appear in its standard upright orientation.

**Don't place on busy backgrounds**

Always use the logo on solid or very subtle backgrounds for legibility.

Don't rearrange elements

Never separate, reposition, or resize the icon relative to the wordmark.

06 FILE FORMATS

Available Formats

Logo files are provided in the following formats. Use the appropriate format for your use case.

.SVG

Scalable vector. Preferred for web, apps, and any digital use.

.PNG

High-resolution raster with solid backgrounds. Good for presentations and social.

.PNG

Transparent background versions. Ideal for overlays and flexible layouts.

.JPG

Compressed raster with solid backgrounds. For email signatures and documents.
